

My career plan

- Goals:

This module is designed to help you:

- _ master job search tools.
- _ understand the skills, qualities, attitudes and qualifications employers are looking for.
- _ better understand the working conditions and remuneration of jobs that might suit you.
- _ identify one or more jobs-where you could thrive.
- _ see that there is a wide variety of jobs available in agriculture and that interesting, rewarding and well-paid jobs can be easily found, with little training, as long as you're motivated.

- Topic:

With the help of agricultural job search sites, find three jobs that might appeal to you and examine the conditions to be met in order to apply (availability on weekends, flexible hours, professional experience, diploma, skills, interpersonal skills, etc.).

Identify in the job offer:

- Working conditions: outdoors or indoors, staggered hours, night or weekend work,

- Salaries offered

- Skills and know-how required:

- skills: autonomy around animals, use of farm machinery, ability to work in a team or independently, ability to listen and follow instructions, ...

- interpersonal skills: punctuality, politeness, cleanliness (on the job, in the work environment and in the break room).

- Qualifications required.

● Self-evaluation:

Identify your level of qualification to succeed in this activity.

Don't hesitate to ask for help if you need it.

Capacity	Criteria	Indicators	Evaluation
Positioning your professional project	Identification of potentials	In the chosen professional context, character traits are highlighted: • they are assets • to be improved • to be minimised/eliminated In the chosen pro context, highlighting necessary skills: • acquired • to improve • to be acquired	
	Identification of opportunities	Successfully select motivating jobs: • in line with the diploma obtained • related to a higher diploma	
	Projection towards a professional identity	Successfully select one or more possible professional projects, explaining: • the reasons for this motivation (position, salary, working conditions, possibility of advancement, personal convictions, etc.) • the academic and/or professional path to get there.
